

The Unsinkable

History

We will study how society was different compared to modern day, including looking at social classes. We will look at key dates and information linked to the Titanic. We will learn about the people on board the Titanic and look at how their actions impacted upon the tragedy.

Geography

Use atlases to locate key locations in the journey of the Titanic.

Science - Forces

We will learn what a force is and what it can make things do, including speeding up, slowing down, changing shape and direction.

We will also learn about types of forces.

Art and Design Technology

Sketches of The Titanic using perspective with different materials.

PE

Invasion
Games
Swimming

Computing

Kodu

Music
