

# Supporting Your Child in Year 5

Autumn Term 2023

I hope you had a fantastic summer break and are ready for the new year! We have a lot to look forward to this term, I can't wait to tell you more...

## **Maths**

The main focus this term will be number, including the four operations, understanding how to use written methods with accuracy. On top of this, we will be having a huge focus on multiplication facts. This is such an important skill and will make other areas of the curriculum a lot easier. We will begin to look at using addition and subtraction within fractions as well.

## **English**

In English this term we will be focusing on informative writing, developing our writing skills within newspaper reports and non-chronological reports which will link to our History topic- 'Invaders!'. Our second half term will see us learning to write for entertainment where we will learn to develop our setting descriptions which will help us when we learn to write our own flashback narratives!

## **History**

Our first history unit this year will be 'Invaders'. Here we will be learning all about the period in time when the Romans left Britain and the Anglo-Saxons invaded. We will learn about Sutton Hoo, Saxon artifacts, great battles for kingdoms between monarchies, and even some things about Vikings too!

KS2 History - Horrible Histories is a great way to access learning online or via the BBC.

KS2 History – BBC Bitesize

## **Geography**

For Geography this term, we will be learning about The Alps. Whilst doing this, we will be learning about where they are located, different physical and human features and reasons why people visit The Alps. We will use graphs and data and interpret information regarding both alpine regions and the UK. We will be using both 4 and 6 grid references using OS maps.

KS2 Geography - 20 Enjoyable Quizzes for Children aged 7-11 (educationquizzes.com) has some great quizzes including Europe, mountains, and maps skills.

KS2 Geography – BBC Bitesize

## **Science**

The first half term is 'forces' where children will learn about gravity, water and air resistance as well as levers. A lot of this will involve practical activities. The second part of the term is 'Earth and Space' and the science behind it, including learning about the sun, Earth and moon and how they relate to each other as well as day and night and how the Earth moves – plus more.

### **RE**

In RE this half term, we will focus on Islam, and what it means to be a Muslim in Britain today. We will make connections between Muslim practice of the Five Pillars and their beliefs about God and the prophet Muhammad, whilst also studying the significance of the Qur'an and the function of the mosque in the beliefs of Muslims. The second half term will focus on Christianity, learning what Christians believe Jesus did to save people, especially focusing on Holy Week.

### **Music**

In music this term we will be classic rock music with the song 'Livin' on a prayer' at the centre of the unit. We will learn to sing, play, improvise and compose with this song. Our second half term see us listen and appraise jazz music. This topic lets us delve deeper into our understanding of instruments and how they create different dimensions within music.

### **Art**

In art we will be looking at our drawing skills. We will explore space imagery used in the 1950s/1960s space race as well as how this led to 'space' trickling down into all aspects of life. We will explore the work of Teis Albers and his print making and have a go at creating our own pieces inspired by him and the artwork we have studied.

### **DT**

In the second autumn term, our DT lessons will focus on food technology. We will be learning all about the 'farm to fork' process and the eatwell plate, which will help us to make a pasta sauce. This unit will include skills like reading a recipe, evaluating as well as chipping and slicing!

### **Computing**

For the first half term in computing, we will learn all about systems and networks, and how these help us in everyday life. Our second unit will see us learn about the process of creating a video, having a go at it ourselves and reflecting on it.

### **PSHE**

In PSHE this term, we will be learning all about families and relationships. This unit will see us explore different friendships and families and how both can be different for everyone.

Our second unit this term will focus on our health and wellbeing. We will learn different strategies like yoga, goal setting, resting and eating healthy meals to help with our health and wellbeing as well as the importance of embracing failure.

Cosmic Kids Yoga videos are especially good for anyone looking for Yoga with a fun twist!

### **British Values**

British Values will focus on the idea of democracy and rule of law, looking at how both of these encourage a stable, safe and supportive society.

### Everyone's Welcome

In our Everyone's Welcome we will look at the book 'Kenny Lives with Martina and Erika' and we will learn about the consequences of actions.

### Values

Our focus values next term will be focusing on the 'Grow' part of Glenmere is GREAT! This includes working on self-belief and independence.

### PE

Year 5 will have swimming on a Wednesday morning, Thursday morning will be basketball and Friday afternoon will be dodgeball (autumn 1) and hockey (autumn 2). Children will need to ensure they have football boots or shoes they don't mind getting muddy for outdoor PE if it is wet (don't forget spare shoes). Reminder that the PE kit is either the Glenmere t-shirt/hoody or completely plain, non-labelled, clothing.

### Author of the Half Term

Each half term, we will have a focus author.

**Priscilla Mante:** Jaz Santos vs. the World is the first title in a new football themed children's series called The Dream Team about football, friendship and following your dreams. A relatable, inclusive story about families, unlikely friendships and girl power. Perfect for fans of Ella on the Outside and Jacqueline Wilson.

**Onjali Q. Rauf:** Balancing humor and heart, this relatable story about the refugee crisis from the perspective of kids highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home.

### Recommending Reading Books- The Secret of Haven Point

Washed up as a baby beside a remote lighthouse and raised by a mermaid, Alpha Lux was the first foundling at Haven Point. Now the lighthouse is a ramshackle home for any disabled person who needs somewhere to belong. But when Alpha spots a strange light up on the headland, she realizes that her beloved family are in danger of being discovered by Outsiders.

With their home under threat, the Wrecklings must decide what kind of future they want . . . and what they're willing to do to get it.

I am really looking forward to this year with you all,

Many thanks,  
Miss Pickering
