

Class 1 Subject: Geography

The United Kingdom

Project: A geographical study about The United Kingdom, physical and human features, landmarks and landscape.

The British Values I will be demonstrating and deepening my understanding of will be: tolerance, rule of law, individual liberty

Vocabulary I should be able to explain and use from this unit...

England	A country that is part of the United Kingdom.
City	A large town.
Island	A piece of land surrounded by water.
Flag	A piece of coloured cloth with a special design that is put on a pole as a symbol.
Key	A list of symbols that appear on the map.
Land	The part of the earth's surface that is not covered by water.

Metacognition

What am I being asked to do? Which strategies will I use? Are there any strategies that I have used before that might be useful?

Geography

Geography is the study about Earth's land, water, air, and living things—particularly people.

The United Kingdom is made up of England, Northern Ireland, Scotland and Wales.

Each country has its own flag, symbols and landmarks.

The United Kingdom is an island.

England's capital city is London.

Scotland's capital city is Edinburgh.

Wales capital city is Cardiff.

Northern Island's capital city is Belfast.

A map is drawn as a bird's eye view.

A key shows different symbols that appear on a map.

Each country has its own traditions eg maypole dancing.
