

# Science Knowledge Organiser Year 1 - Sensing seasons

<p><u>Question for Learning;</u> <b>What are the seasons?</b></p> <p>Key learning; • Be able to name all the seasons and the order in which they happen.</p>	 Observing changes over a period of time
<p><u>Question for Learning;</u> <b>How do the changing season affect me?</b></p> <p>Key learning; • Be able to identify the types of clothing needed for each season and how they are suitable for different weathers because of the materials used.</p>	 Observing changes over a period of time
<p><u>Question for Learning;</u> <b>What can we see and hear to tell me the seasons are changing - part 1?</b></p> <p>Key learning; • Be able to identify things in the natural world that change due to the seasons. For example plants, trees and animals.</p>	 Observing changes over a period of time
<p><u>Question for Learning;</u> <b>What can we see and hear to tell me the seasons are changing - part 2?</b></p> <p>Key learning; • Be able to recognise and explain how each season is different by using evidence collected in previous weeks.</p>	 Observing changes over a period of time
<p><u>Question for Learning;</u> <b>How does the weather change across the seasons?</b></p> <p>Key learning; • Be able to identify weather patterns across the seasons and know the symbol to match this. Use data to identify weather types in the seasons.</p>	 Observing changes over a period of time
<p><u>Question for Learning;</u> <b>What do different types of weather look and feel like?</b></p> <p>Key learning; • Be able to recognise how the seasons and the weather affects me and the world around me. I can make comparisons of the weather and the seasons.</p>	 Observing changes over a period of time

## Key Words

Weather	Weather is a description of what the conditions are like. It could be hot or cold, wet or dry, windy or calm.
Temperature	Temperature is hot or cold and can be measured using a thermometer.
Seasons	A period of the year that is determined by the climate conditions. Autumn, winter, spring and summer.
