

By the end of this project, I will know the answers to these questions

What is a continent?	A continent is one of earth's seven main divisions of land.
What is a capital city?	A city where a region's government is located.
What are the countries in the United Kingdom	England, Scotland, Wales and Northern Ireland
Name the continents	The continents are, from largest to smallest: Asia, Africa, North America, South America, Antarctica, Europe and Australia.
Which is the only continent to have no permanent residents?	There are no permanent residents in Antarctica. The only people who live there are visiting scientists.
What is the difference between a continent, a country and a city?	Continents are home to numerous countries in this world and countries in turn are home to many cities and towns.
What is human geography and physical geography?	Human geography deals with how human activity affects or is influenced by the earth's surface. Physical geography deals with natural features
What are the climate zones in the world?	Tropical, dry, temperate, continental and polar.
What is a landmark?	A feature of the landscape or area which is easily recognisable.
Greater Depth	What types of animals live in the different climate zones?
	Compare the human and physical geographical features of the countries saying how they are similar and different

Skills I will require and apply:

- Find the countries using a map, an atlas and a globe.
- Compare the human and physical geographical features of the countries saying how they are similar and different
- Research the different climate zones in each country.
- Observe aerial view photographs to compare countries and climate zones,
- Use the compass points to describe the countries in relation to each other.

To hook me into this project I will:

Experience giant globes and floor maps to play location games

Experiences that will help me remember:

Using a compass, world maps, atlas, globe and Google Earth  
Plan and prepare a continental breakfast for parents at the end of the spring term

Vocabulary	
Time zone	the local time of a region or country. There are many time zones in the world
Region	An area of land that has common features.
Atlas	book of maps
Capital city	the city where the government sits. London is the capital city of England and the UK
Population	all the people who live in a country or area

Texts/books I will be using in this project:

Around the world in eighty days - Jules Verne  
Lila and the Secret of Rain- David Conway & Jude Daly

Life Skills

- Equality and fairness
- Food technology
- Responsible decision making
- Teamwork
- Social awareness

Metacognition

- What strategies did I use to help me learn in my lesson today?
- How am I remembering this learning?
- What have I learned that could be useful elsewhere?
- How will I apply what I have learned?
- Which senses were the most important in completing the task today?
