

EYFS Mathematics

Number	✓
Counts forwards/ backwards from 0-5.	
Counts forwards/ backwards from 0-10.	
Counts forwards /backwards from 0-20.	
Recognises numerals 0-5.	
Recognises numerals 0-10.	
Recognises numerals 0-20.	
Correctly orders numbers 0-5.	
Correctly orders numbers 0-10.	
Correctly orders numbers 0-20.	
Correctly matches numeral and quantity.	
Counts out up to 3 objects.	
Counts out up to 5 objects.	
Counts out up to 10 objects.	
Correctly counts more than 10 objects.	
Counts actions or objects that cannot be moved.	
Counts up to 6 objects from a larger group.	
Compares two groups of objects - identifying which has fewer/more.	
Finds 1 more and 1 less than numbers up to 5.	
Finds 1 more and 1 less than numbers up to 10.	
Finds the total number of objects in two groups by counting them altogether.	
Is able to use language related to addition.	
Is able to use language related to subtraction.	

Estimates how many objects are in a group.	
Adds two single digit numbers by counting the total number of objects.	
Subtracts smaller numbers from larger numbers by counting the number of objects that are left.	
Adds two single digit numbers by counting on.	
Subtracts smaller numbers from larger numbers by counting back.	
Finds the double of a number to 5.	
Finds the double of a number to 10.	
Solves problems involving halving numbers to 10.	
Solves problems involving halving numbers to 20.	
Shares objects equally.	

Shape, Space and Measure	
Identifies common 2D shapes.	
Describes the properties of 2D shapes.	
Identifies common 3D shapes.	
Describes the properties of 3D shapes.	
Uses positional language.	
Recreates a simple pattern.	
Uses vocabulary related to weight, length and capacity.	
Records, using marks they can interpret / explain.	
Uses language relating to time.	
Uses everyday language relating to money.
