<i>identity</i>	the set of qualities and beliefs that make one person or group different from others
<i>unique</i>	being the only one of its kind
<i>Community</i>	group of people living or working together in the same area.
<i>individual</i>	a single member of a group
<i>differences</i>	what makes two or more persons or things not the same
<i>similarities</i>	having qualities in common

Key Knowledge

How can I identify similarities and differences between myself and other children?	Through talking to others and finding out about them.
How can I find out about what makes me unique?	By playing games and having discussions that give me choices to decide for myself
How can I understand how people feel judged because of their appearance?	Through interviews and stories with morals
How can I show that I have an understanding of others identity?	By reflecting on my own and others' opinions

Engaging and practical experiences

Stories about diversity
Practical activities that show differences and similarities
Watching interview videos and listening to others' experiences
Class discussions and debates

Greater Depth Thinking

Can I describe the goal to be achieved?
 How will I judge if I have been successful?
 What aspects of the task will be most difficult? Why?
