Dear Parents/Carers

As the harvest season approaches, we are excited to announce our annual school-wide Harvest Appeal which will be in support of our local food bank. This year, we want to involve our pupils in a special way by helping them understand the importance of generosity and community.

We are inviting all families to contribute to this important cause with a donation of non-perishable food items. Your generous contributions will make a real difference to families in need within our local community, especially as the colder months approach.

To help our pupils reflect on the values of generosity, gratitude, and community spirit during the harvest season, representatives from the food bank will be holding a short assembly presentation for the children. This will be an opportunity for the children to learn more about the work of the food bank and to understand how their donations will help others.

We have attached a poster with a list of suggested donations and kindly ask that all donations are brought to your child's class teacher by 9am on Thursday 2nd October.

Thank you in advance for your continued support and for helping us teach our children the true meaning of community and compassion.

Yours sincerely

A handwritten signature in black ink that reads 'S. Conlon'.

Mrs S Conlon
