

Year 1
Spring 2

Who do you think you

are?

History

The children will begin to understand what it means to be famous. They will learn about the Royal family particularly the Queen and what they are known around the world for. They will then learn about Grace Darling and Mary Seacole and find out what their contribution to British history was. They will have the opportunity to act out the Grace Darling story and design a new medal that shows the contribution Mary Seacole made to British history.

Art and Design Technology

Drawing - using different pencils to create different lines and shapes. To understand which brush is needed to complete a painting.

PE

Multi skills running & dance.

Basketball morning

Computing

Grouping and sorting -

Animated

Stories -

Purple Mash

Science - Materials

The children will learn about materials and their properties. They will partake in a material hunt around the school and their local area. They will have opportunities to investigate the material properties by investigations and find out which material will be best suited to different jobs.

Music

Children will look at rhythm and pulse. Create their own rhythms using the instruments and perform these to the class.

British Values

Perseverance

Overcoming

obstacles

Individual

Liberty

Religious
