

Shore-ly it's time for an ice-cream

History

We are going to be looking at seascides have changed how over time,

Geography

We will look at a range of seascides from around the various shorelines of the UK, focussing on their features. We will be looking at what makes Skegness a seaside town (closest to Leicester) and compare it to Railay beach in Thailand. We will also compare seaside town features and those of landlocked Leicester.

Science - Materials

Throughout this term we will be exploring a range of different materials, looking at how they differ and at what they could be most beneficially used.

We will also look at members of the scientific community who have developed their use of materials for greater and new uses.

Art and Design Technology

We will design and construct a pier.

PE

Outdoor -
Hockey

Indoor -
Gym

Computing

Purple Mash continuation, looking at how to effectively search for content online.

Music

We will be looking at body percussion and how our voices can dictate the way a tune/song sounds..
