

# Great Fire of London

## History

We are going to be looking at the great fire of London, finding out about how the fire began and how it was made worse due to the conditions of London in 1666. We will also be using timelines to show the events of 1666.

## Geography

We will be looking at where the fire started, locate London on a map of the United Kingdom and will be looking at aerial views and maps of London to see how London has changed over time.

## Science - Materials

Throughout this term we will be exploring a range of different materials, looking at how they differ and at what they could be most beneficially used.

We will also look at members of the scientific community who have developed their use of materials for greater and new uses.

## Core Learning - English

We will be creating non-chronological reports that document the events of the Great Fire of London.

## Art and Design Technology

Picture and painting showing the Great Fire of London.

## PE

Outdoor -  
Rugby

Indoor - Gym

## Computing

Continuation of coding via the purple mash programme.

## Music

We will be exploring music and chanting of African origin.

## British Values

Mutual respect.

## Religious Education

Islam - How does Islam differ to Christianity?

## Core Learning - Maths

Multiplication and Division

Fractions
