

Wet, Wet, Wet!

History

We will be discovering the history of the Rainforest and how it has developed over the years, as well as how the effects of deforestation is having an impact on current life and our current history.

Geography

We will name some countries where rainforests are found, label a map to show countries where rainforests are found, find the Equator on a map, tell you that rainforests are found near the Equator, describe what the weather is usually like in a tropical climate, name the four layers of a rainforest, tell you about the climate in each layer and explain the effects of deforestation.

Science - Sound

Linked with the topic, we will investigate sounds and how they travel through air, water and masses. Children will investigate how sounds is created and carry out experiments to demonstrate their findings

Art and Design Technology

We will design and create art inspired by the rainforests. By studying the colours, shapes and textures, we will produce a selection of artwork for display.

PE

gymnastics,
stretching,
net/wall games,
Ball skills,
basketball, tennis,
running & dance.

Computing

We will be using skills of ICT to create music and power point presentations

Music

We will investigate the sounds of the Rainforests and use voices and percussion instruments to create a small symphony of 'The Sounds of the Rainforest.'

British Values Diversity & communities

Recognise what diversity is and that it is OK to be different. What is a community? Which community do you belong to?

Religious Education

Hinduism - Children will learn about the religion of Hinduism, what Hindus believe, temples (Mandir), the Hindu act of worship (Puja),

Core learning - English

Write about life in the Rainforest from the point of view of an animal or a Tribe member.

Be part of a debate on Deforestation and how it is affecting the World's climate.

Create an informative leaflet, providing information to others about the Rainforest.

Promote awareness of the endangered species in the Rainforest and how people can help.

Write a persuasive letter to stop deforestation.

Core learning - Maths

Number - Multiplication and Division

Measurement - Area

Fractions

Decimals
