

Viking Invaders

History

We will start by sequencing the Vikings with other key periods of history, then looking at more detail at how the Saxons were invaded, sequencing these events.

We will be studying how Britain has changed and developed since the settlements were created and how this has changed modern day.

Geography

We will locate key settlements within the UK, comparing Saxon territory with Viking. From this we will compare settlements with the physical features.

Science - Materials

We will learn how materials will be grouped by their properties, including soluble, insoluble, transparent, opaque, insulators, conductors and magnetic.

We will then learn about mixtures and solution and the processes used to separate.

Finally, we will learn about reversible and irreversible changes.

Design and Technology

We will use different techniques to design, make and evaluate shelters. This will include using appropriate tools to measure and construct.

PE

Tennis
Basketball
Running
Swimming

Computing

2code - we will develop our understanding of coding, including creating games.

Music

Living On A Prayer. This links within the music curriculum.

British Values

Individual Liberty
Rules of Law

Religious Education

What does it mean to be a Muslim in Britain today?
