

# Oceans Apart

## Geography

We will be using our map skills to locate different countries and their capital cities within the UK and North America.

We will be comparing key topographical features of North America and the United Kingdom whilst also comparing the different climate zones - we will be using maps and atlases in order to do this. We will then focus on a specific region and make comparisons.

## Science - Living things and their habitats

During this unit we will describe the differences in lifecycles of a mammal, an amphibian, an insect and a bird. We will also look at life processes of reproduction in some plants and animals.

## Science - Animals including humans

We will study and describe the changes we experience as humans through to old age, including looking at changes to boys and girls and puberty (through SRE).

## Design and Technology

Combining different fabrics to create bags representing the culture from different parts of North America.

## Art

Studying the work of British artist David Hockney, working on drawing landscapes, investigating different techniques and concepts surrounding colours.

## PE

Tennis  
Basketball  
Athletics  
Swimming

## Computing

To collect - we will develop different ways to search databases.

## Music

Dancing in the street  
Reflect, rewind and replay

## British Values

Rules of Law  
Mutual Respect

## Religious Education

Why do some people believe god exists?  
What would Jesus do?

## Core learning -

### English

Discussion  
Persuasion  
Instructions  
Holes - Louis Sachar  
Recounts  
Take one poet

## Core learning

### - Maths
